Call For Trainers

OWASP is currently soliciting training providers for the OWASP AppSec DC 2009 Conference that will take place at the Walter E. Washington Convention Center (801 Mount Vernon Place NW Washington, DC 20001) on November 10th through 13th of 2009. There will be training courses on November 10th and 11th followed by plenary sessions on the 12th and 13th. There are a total of five classrooms over two days or 10 training days available at the conference. Two classrooms hold 30 students and the other three have a capacity of 24 students.

The following conditions apply for people or organizations that want to provide training at the conference:
- Training provider should provide class syllabus / training materials.
- Proceeds will be split 75/25 (OWASP/Trainer) for the training class.
    - The 75% for OWASP goes towards: Classroom Rental, Conference Logistics/Registration, and Food and OWASP Grants for Research Projects.
- Courses must have an enrollment of 60% before class is considered operational.
- Price per attendee: 2-Day Class $1350/ 1-Day Class $675.
- Trainers can brand training materials to increase their exposure
- Classes are to be focused around Application Security

Training proposals should consist of the following information:
1. Trainer contact info (country of origin and residence-mail, postal address, phone, E-mail).
2. Employer and/or affiliations.
3. Training synopsis, proposed training title, and a one-paragraph description.
4. Brief biography, list of publications and papers.
5. Any significant presentation and educational experience/background.
6. Reason why this material is innovative or significant or an important training for the OWASP conference.
7. Please list any other publications or conferences where this material has been or will be published/submitted.
8. Training format (hands-on, lecture …)
9. Provide a list of items/software students need for the training.
10. Optionally, any samples of prepared material or outlines.

Submission deadline is **June 15th 2009**. Submissions must use the training proposal template. Submit Proposals To rex.booth(at)owasp.org with the **subject line APPSEC DC CFT SUBMISSION**.
