Call for Paper

OWASP China Summit 2010 - Beijing China

[OWASP China-Mainland Chapter](#) will host **OWASP China summit 2010** in Beijing China on Oct 20-23, 2010. There will be training courses on Oct 20th and 21st followed by plenary sessions on the 22nd and 23rd. The summit will gather OWASP leaders, security experts, executives, technical thought leaders, developers, scientists and researchers from China and around the world for in-depth discussions of cutting-edge application security issues. The summit will draw participation from major Chinese and global organizations across various verticals including government, information technology, services and consulting, telecommunications, finance, e-commerce, Internet, universities and research institutes. About 800 people are expected to attend the summit, which will be covered by major news media. Panel discussions, vendor exhibit, and dinners will be held at the summit, providing sufficient networking opportunities.

We are seeking presentations on any of the following topics (in no particular order):
- Business and Application Security Industry Analysis and Trends
- Business Risks and Application Security
- Common Application Threats, Risks, Vulnerabilities and Countermeasures
- Secure Software Development Life Cycle Programs and Processes
- Application Security Assessment and Penetration Testing
- Secure Coding Practices and Security code Review
- Platform and Technology Specific Security Issues (Web Services, AJAX, XML, etc.)
- Application Security Platforms and Projects
- Application Security Tools: application scanners, web application firewalls, database scanners, etc
- Anything Related to OWASP and Application Security.

To make a submission you must include:
- Presenter(s) name(s)
- Presenter(s) Email and/or Phone number(s)
- Presenter(s) bio(s)
- Title
- Abstract
- Any supporting research/tools (will not be released outside of CFP committee)

Submission deadline is: **September 20th 2010.**
Submit Questions and Proposals to: **china-conference@lists.owasp.org**
Conference Website: **http://www.owasp.org/index.php/OWASP_China_Summit_2010**

Please forward to all interested practitioners and colleagues.
