Welcome to the
OWASP Greek Chapter Meeting

Konstantinos Papapanagiotou
OWASP Greek Chapter Leader
Syntax IT Inc

Konstantinos@owasp.org

OWASP
Greek Chapter
Meeting
16/3/2011

The OWASP Foundation
http://www.owasp.org

What is OWASP?

- Worldwide not-for-profit organization
- Mission: "to make application security "visible," so that people and organizations can make informed decisions about application security risks"
- Participation is free and open to anyone
- All content is free and open to all

What are OWASP meetings?

- Regularly held meetings
  - Target: bi-monthly
- Participation is free
  - Although registration will be required

- Will involve 2 or 3 presentations (~1 hour)
- and… socializing-networking

- Subscribe to mailing list to get news:
  http://lists.owasp.org/mailman/listinfo/owasp-greece
