Motivation of Security Champions

OWASP

Katharina Treptow

Timo Pagel

About Us

Katharina Treptow:

- Graphics Designer
- Specialist Application Development
Timo Pagel:

- DevSecOps Consultant
- *Security in Webapplications* at University of Applied Sciences Wedel

Problem Statement

Motivation of Security Champions is challenging

Motivation Approaches

- High-Fives
- T-Shirts
- Sticker
- Pins

Goods

- Participation Reward
  - Security Champion Trainings
  - Security Workshops

- "Doing" Reward
  - Threat Modeling
  - Nginx Hardening Implementations
